Dear Ms. Butler

On behalf of the Middlesex County Library Board I wish to convey our sincerest appreciation for your generous donation in the amount of \$500.00 in memory of your mother, Bette Woods. These funds will be used to enhance the Strathroy Library branch.

Bette was a favourite patron at the Strathroy Branch – library staff enjoyed her visits, and they loved to pick out movies for her that they thought she would enjoy. Bette was also a valued volunteer, working tirelessly on local history and museum-related tasks. She is greatly missed by all who knew her here at Middlesex County Library.

The Middlesex County Library mission is to inform, enrich and connect the lives of County residents. The support of generous people like you will allow the library to offer unique programs and services beyond the basic level. Your commitment to library services is sincerely appreciated.

Thank you again for your generous support of Middlesex County Library.

Sincerely,

A handwritten signature in cursive script that reads "Lindsay Brock".

Lindsay Brock
Acting County Librarian/CEO
