Dear Friends of the Glencoe Library,

On behalf of the Middlesex County Library Board I wish to convey our sincerest appreciation for your generous donation in the amount of \$2175.66. As agreed, these funds were used to purchase and install a flat screen television, speakers, and accompanying computer hardware.

Your tireless fundraising has brought this project to fruition, and allowed the staff at the Glencoe Branch to offer enhanced programming to the Glencoe community. Movie programs are always well attended, particularly on PD Days – and the Glencoe staff look forward to planning many of these events in the months to come.

The Middlesex County Library mission is to inform, enrich and connect the lives of County residents. The support of the Friends of the Glencoe Library will allow the library to offer unique programs and services beyond the basic level. Your commitment to your community is sincerely appreciated.

Thank you again for your generous support of Middlesex County Library.

Sincerely,

A handwritten signature in cursive script that reads "Lindsay Brock".
