You can add additional passengers to your trip by clicking on the plus sign and then clicking on **Add Passenger**. You will need to identify their passenger type (ex. child, senior, student) and any special accommodations that may apply (ex. wheelchair, bike, stroller).

Please note:

- A 'Companion' under the passenger type refers to a support person who can accompany an individual with an identified medical need for assistance for free.
- Children 5 and under, veterans, and support persons ride free of charge on Middlesex County Connect.

 **Blaise Tip:** Any additional passengers added to the trip may affect the final cost of the trip. Double check these details before you book your trip.
