

"Dad, I hope that when I grow up, I have a fulfilling career with a stressful commute!" said no kid ever.

IS YOUR WORKFORCE EXPERIENCING COMMUTING ISSUES? WE HAVE THE SOLUTION!

***Help your employees get to work by partnering with
Middlesex County Connect.***

Middlesex County Connect is an inter-community public transit service that connects local municipalities in Middlesex County to one another and to the hubs of London, Woodstock, Ingersoll, and St. Thomas. To help employers promote the use of Middlesex County Connect among their workforce, we have created an employer toolkit that includes an informative brochure with bus routes and schedules, eye-catching posters and social media content, branded promotional items, and complimentary fare passes. Contact us at countyconnect@middlesex.ca to receive your Employer Toolkit.

Workplaces across the region are facing challenges in getting employees to and from work. Partner with Middlesex County Connect to assist your current and potential employees in commuting.

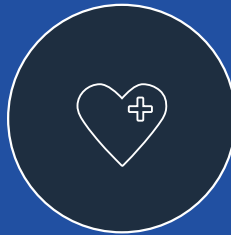

Discover the convenience of Middlesex County Connect's bus routes, serving various communities during peak hours. Our current round-trip bus routes include Route 1 which serves Lucan, Ilderton, Arva, and London; Route 2 connecting Woodstock, Ingersoll, Putnam, Dorchester, and London; and Route 3 connecting Dorchester to London and St. Thomas.

For only \$5 one-way, your employees can enjoy our affordable and accessible bus service on fixed routes and schedules.

BENEFITS OF PROMOTING TRANSIT OPTIONS:

Increased Employee Productivity

Healthier Employees

Enhanced Employee Recruitment & Retention

Reduced Carbon Footprint & Air Pollution

Reduced Parking Cost & Demand

A Boost to Corporate Image
