Resident Menu

INITIATION:

It is anticipated that the regular menu shall continue to apply until food supplies are affected by a disruption in deliveries or availability of staff.

The regular menu shall be adapted as necessary to suit current conditions.

A Pandemic Emergency Menu has been developed based on the following assumptions:

- There are insufficient cook staff to prepare meals from the regular menu
- Food supplies are insufficient to follow the regular menu
- Kitchen equipment is inoperable due to breakdown or fuel outage
